

AGU 
#EVERYDAYRIDING

**BIKE PACKING
2019/2020**

Whether you're out riding for a weekend, a week or a month, the brand new AGU Bike packing collection comprises everything you'll ever need to expand your riding horizon. With over 50 years of experience in cycling bags under our belt, this range was specifically designed by bike packers to be available for all other aspiring bike packers, at an attractive price. The quick and easy modular attachment system ensures these durable bags fit any frame, and the implementation with premium materials — such as Hypalon rubber, Green Sphere recycled polyester, 3M reflection and YKK zippers — is purposefully designed to protect and carry your kit during even longer, and even more epic rides. Let AGU lighten your load and open up those unbeaten paths for #everydayriding.

VENTURE SNACK PACK

This is the perfect companion for the hardy bike-travellers who are inclined to drink and eat while pedalling, or just want to store some extra food. Always within reach and easy to open one-handed, the Venture Snack Pack offers yet more storage space for bars, nuts, crisps or drinks, right there on your handlebars.

- Made of recycled water-repellent polyester
- High visibility by 3M reflection
- Two external mesh pockets
- Mounts to either side of stem
- One handed opening and closure
- Modulair strap system

€ 19.99 £ 19.99

VENTURE SEAT PACK

The Venture Seat Pack is an essential part of any bikepacking trip. Easily attached underneath your saddle, you won't even notice it's there until you need your dry clothes or sleeping kit. The taped inner bag and roll-top construction keep your gear clean and dry, so you can focus on finding the best possible routes. With its robust appearance and reinforced parts in critical places, this bag will continue to be of service for many trips to come.

- Made of recycled water-repellent Polyester
- High visibility by 3M Reflection
- Roll-top opening
- High level of water-resistance through Dryliner Technology
- Compression straps
- Elastic cord with reflected details

€ 69.99 £ 69.99

VENTURE TOP TUBE BAG

The Venture Top Tube Bag is the perfect storage for items you want to keep within easy reach while on the road. The one-handed zipper opening offers quick access to your valuables such as your camera and phone, when you need them. Or use it to store a bag of food to keep munching on the go.

- Made of recycled water-repellent polyester
- High visibility by 3M reflection
- One handed zipper opening
- YKK (water-repellent) zipper closure
- Inner side mesh pockets
- Inner divider
- Modulair strap system

VENTURE HANDLEBAR PACK

Our Venture Handlebar Pack is also made from Greensphere waterrepellent recycled polyester, with a roll-top construction that shields your gear from dirt and moisture. Attached solidly to the bars with a system of multiple straps, the pack offers valuable storage space without influencing the handling of your bike negatively. With the included spacers you create ample room for your cables and navigation, and the high quality 3M reflective elements guarantee visibility in low-light conditions.

- Made of recycled water-repellent Polyester
- High visibility by 3M Reflection
- Roll-top opening
- Spacers and straps with quick release buckles
- Modulair strap system

€ 59.99 £ 59.99

VENTURE FRAME PACK

During long trips, or for carrying a tent or tarp, the convenient and spacious Venture Frame Pack will prove itself an essential part of your gear. Making clever use of a modular system of straps, it is quickly attached to the toptube, and will easily fit most frames out there. A hydration port opens up the possibility for use of waterpacks, and the robust Green Sphere polyester is proven to be water-repellent and durable when it counts most.

- Made of recycled water-repellent polyester
- High visibility by 3M reflection
- YKK (water-repellent) zipper closure
- Hydration port
- Modulair strap system
